Terms and conditions of participation for the 'Classic Superbike Experience'

- I wish to ride motorcycles hired to me by Yesnaby Ltd T/A Renaissance Racing (herein referred to as Renaissance Racing), on a closed circuit as part of a track riding event (track day).
- Motorsport is hazardous and I am voluntarily exposing myself to risk of personal injury or death and the risk of material damage or loss by participating.
- Competitive riding and / or racing is prohibited and the purpose of the track day is to allow participants / me to improve their / my skill and to learn and experience the riding characteristics of the motorcycle they are / I am using.
- Any insurance carried by Renaissance Racing or the Track Day Organiser, in respect of any liability that may arise from taking part in the track day, will be limited. Participants / my own motor, third party, or liability insurance is unlikely to cover any losses or liabilities that I may incur while taking part in the track day, but such insurance is available from specialist brokers.
- Renaissance Racing is not a training organisation and does not offer riding advice.
- Renaissance Racing will give guidance on, and enforce where required, the track day organisers rules and safety standards, but cannot enforce the on track discipline or control the competence of other participants.
- It is the hirer's / rider's responsibility to ensure compliance and eligibility with the track day / event organisers rules, regulations, terms, and conditions.
- By signing this agreement, the rider / I declare(s) that they are able, and suitably experienced to ride the hired motorcycle in a safe manner.

- The rider must hold a current driving and / or ACU licence, entitling them to use the same motorcycle on UK / EU public roads and / or circuits to those that they are hiring from Renaissance Racing.
- In the event of a motorcycle not being available due to circumstances beyond our control, Renaissance Racing will provide a suitable alternative motorcycle.
- Renaissance Racing does not guarantee exclusive use of a motorcycle.
- The rider agrees to use the hired motorcycle in safe and mechanically sympathetic manner, if the event organiser or Renaissance Racing staff believe this is not the case, the motorcycles will be withdrawn from use and no refund will be given.
- The hirer **agrees to be financially responsible for any accidental damage to the motorcycle and equipment belonging to Renaissance Racing during the hire agreement term, however caused, up to the damage liability amount of £1500 as stated on the hire agreement.**
- The damage liability amount does not apply to intentional damage, this would include, but is not limited to, damage or excessive wear and tear caused by the mistreatment of equipment, intentional wheelies, burnouts, or inconsiderate / dangerous riding. In the case of intentional damage, the whole cost of repair is payable, even if the cost of that repair is beyond the accidental damage liability.
- If the motorcycle sustains damage, the costs will be calculated and the hirer notified. If the bike can be repaired, and the hirer wishes to continue riding, then the hirer will be required to sign a new hire agreement, **a new damage liability amount will be in force.** In essence a new hire period.
- In the event of Renaissance Racing cancelling a booking, any refund due is limited to the value of the payment made to Renaissance Racing, no other costs will be paid.
- Should any rider / hirer, or anyone in their party behave in a manner likely to cause upset to any other person, the hire agreement will be cancelled immediately and no refund given.
- Bookings cancelled over 28 days before the event will incur a £50.00 per rider administration fee, with the balance - minus the track time cost - given as a credit note. This credit can be used as payment towards an event in the 12 calendar months following the cancellation date. Bookings cancelled within 28 days of the event are forfeited with no credit note or refund given. In the event of a 'no show' the booking is considered to be fulfilled, and no credit note or refund will be given. When unforeseen circumstances arise and where possible, Renaissance Racing will endeavour to help participants reschedule.
- Dates are subject to change, in the event of a date changing the customer will be notified of the new date using the email address on the booking.
- The participant / I will not take part in the track day whilst under the influence of any intoxicating substance. If Renaissance Racing staff believe participants / you to be 'under the influence' the motorcycles will be withdrawn and no refund given.
- By signing this agreement, I authorise the Track Day Organiser to share my personal information with Renaissance Racing and its representatives.
- The Classic Superbike Experience is owned and operated by Renaissance Racing

Renaissance Racing provides a chance to experience a defining period in superbikes. By today's standards they are not the quickest bikes, the bikes are to be enjoyed for what they are, if participants are looking for the next 'lap record' this is not the experience for them. We want you to enjoy the bikes as much as we do!
